RE: NUGS TO DEMONSTRATE AGAINST DEFENSE DEAL

The attention of the Secretariat of the **National Union of Ghana Students, (NUGS)** has been drawn to a purported planned demonstration on Wednesday 28th March, 2018 by some group of persons parading and touting themselves in the name of our beloved Union, NUGS.

The **National Executive Council, (NEC) the 2nd Highest Decision Making Body of NUGS** is by this disclaimer calling on all Students, Security Agencies, Stakeholders, Media and the General Public to disregard this malicious and frivolous intended demonstration against the US-GHANA Defense Deal on social media and GhanaWeb as if same is from NUGS.

We condemn in all certainty and call on the Security Agencies to arrest any group of person who would use the name of NUGS to achieve their parochial and egoistic interest.

The Leadership of NUGS State in categorically, that we have a firm trust in the Defense Apparatus and the Government of Ghana to ensure the safety and security of all Students and the Ghanaian Citizenry. We again call on the President of the Republic, H.E Nana Addio Dankwa Akufo-Addo to put the Security Agency on the alert in the wake of this controversies.

Thank You.

Signed
